

Philips EasySpeed
Steam iron with Non-stick
soleplate

- 2100W
- 30 g/min steam
- 100 g steam boost

GC2040/20

Fast, from start to finish

3 ways to speed up your ironing

This EasySpeed iron speeds up your ironing thanks to: triple precision tip, even heat distribution across the soleplate and continuous steam.

Easily removes creases

- Continuous steam up to 30 g/min for better crease removal
- 100 g steam boost to remove stubborn creases easily
- Vertical steam for crease removal in hanging fabrics
- Power up to 2100 W enabling constant high steam output
- Non-stick soleplate coating

Comfortable ironing

- Drip-stop system keeps your garments spotless while ironing
- Triple precision tip for optimal control and visibility
- A fine spray evenly moistens the fabric
- Even steam distribution for efficient ironing

Longer lifetime

- Calc clean slider to easily remove scale out of your iron

PHILIPS

Highlights

Up to 30 g/min of steam

Continuous steam up to 30 g/min for better crease removal.

Power up to 2100 W

Power up to 2100 W enables constant high steam output.

Triple precision tip

The tip of this Philips iron is precise in 3 ways: it has a pointed tip, button groove and a sleek design of the nose. Triple Precision tip enables you to reach even into the most tricky areas, e.g. around the buttons or between the pleats.

Steam boost up to 100 g

Applying steam boost will release a steam shot up to 100g to remove even the toughest creases.

Non-stick soleplate

The soleplate of your Philips iron is coated with a special non-stick layer for good gliding performance on all fabrics.

Even steam distribution

Thanks to the carefully crafted soleplate design, the steam is distributed evenly across the soleplate. This way you need less strokes to evenly moisten the garment and therefore less time to complete the ironing.

Vertical steam

This Philips iron has a vertical steam function, for crease removal in hanging fabrics.

Drip stop system

Drip Stop system lets you iron delicate fabrics at low temperatures without having to worry about stains from water droplets.

Spray

The spray function produces a fine mist that evenly moistens the fabric, making it easier to iron out creases.

Steam iron with Non-stick soleplate
2100W 30 g/min steam, 100 g steam boost

GC2040/20

Specifications

Fast & powerful crease removal

- Soleplate: Non-stick
- Steam output
- Continuous steam output: 30 g/min
- Steam boost: 100 g
- Vertical steam
- Spray
